liquidv2 wrote on Thu, 06 June 2013 10:31 not sure why he's beefing on the Jelly staff; even after cheating and evading for quite a long time, he was listed as an option for mod when the voting came around

it's almost like he's angry at them for not making him a mod when it's entirely due to his actions that it happened

he doesn't seem to have changed much either, so i suppose that was a good decision

welcome back to 4 years ago lol

haven't changed? i must still be cheating
