I don't understand why you are so butthurt about DJ's writing

liqtard is in general butthurt when it belongs to me, unfort. he cant get over that obsession, which is very sad for a person of his age. Especially when you are that afraid of some1 who is living very far away, but meh, i can live with it, the 2. person on the moon will always be the loser when he wasnt the first 1
