If you have legally acquired a CD key I don't really care where you get the installer from tbh.

You can activate your C&C games on Origin by contacting support. As per

<https://help.ea.com/in/article/redeem-your-serial-code-in-origin>:

Quote:2. GAMES RELEASED PRIOR TO 2008

2.1 Exceptions to this method of redemption

\*Certain games released before 2008 will not be able to be registered this way.

Crysis (+ Crysis - Warhead)

Battlefield 2

Battlefield 2142

Spore

The Sims 2

Command and Conquer

In order to register these titles you will need to contact us. One of our Game Advisors will redeem the game code for you.
