Subject: Design the RenGuard.com site!
Posted by boma57 on Sun, 21 Sep 2003 00:30:53 GMT

I went for a more "simple" design as opposed to Aprime's:

I can code it if you decide to use it, but it's not coded and ready to go already because I'm not going to bother coding it when I don't know if it's going to be used or not
