Firstly, you was banned for using bighead a few years ago, then banned at Jelly for "aimbot". So you haven't had a squeaky clean 5 years gaming as you claim.

Secondly, you was banned with evidence, I don't know why you keep insisting that there's no evidence against you, when there is.

Thirdly, I didn't ban you solely, there was a internal vote and the majority of the staff voted in favour to keep you banned.

Fourthly, TmX doesn't ban players without evidence.

I found your pm on me to IRC highly entertaining, the staff at TmX also think it's hilarious. Thank you for amusing us.

<NLsRene1> face the reality

<Sean> I warned you not to

<Sean> 2 mods jus agreed with me then too

<Sean> you bring it on yourself

<NLsRene1> lol, why tell people i cheat?

<NLsRene1> i never used fking Triggerbot or *cheat name removed*in my life

<NLsRene1> and u tell people that i cheat?

<NLsRene1> are you insane?

<NLsRene1> i will visit marcel his home for this since he lives in the same country

<NLsRene1> also i will call the police

<NLsRene1> what you guys do is called Inet-attack

<NLsRene1> and since it's a paid server i will so hard win this case

<NLsRene1> but yeah i will go and visit marcel i will play the same way on his computer as on mine

<NLsRene1> so .. the Renforums are now in this case as well

<Sean> LMFAO

<NLsRene1> wow

<NLsRene1> ur staff isn't so nice against you

<NLsRene1> lots of them are talking to me on irc right now

<NLsRene1> lol.. and more likely it's against you

<NLsRene1> sad

<Sean> mhm

<Sean> Well add this to your report to the police

We allowed you to dispute your ban, the overall majority of moderators voted in favour of keeping you banned. We allowed you back to irc until you started causing trouble and mentioning cheats in our #tmx game channel which I warned you about before hand, you ignored us and decided to rage, which earned you a gline.

Congratulations for digging yourself a bigger hole and limiting your chances of being unbanned 10

fold.

Edit: Editing your reply because you know that you have no case in hell? lol...now you look like even more of a fool.
