whether the guy defended himself or not is irrelevant when you can honestly say he was wrongly banned - you really should remove it, even if he never tries to join your server again

-TLS-DJ-EYE-K wrote on Thu, 24 October 2013 06:56iRANian wrote on Thu, 24 October 2013 13:38Neh they made about 50-70 screenshots of me before banning me. I know because their screenshots folder is public and someone told me about it.

still got banned LOL

Still mad ^

i'd probably be mad if i got banned from a server for cheating when i wasn't, especially when i went to great lengths to prove it, and that server's mods would later harass me about it anyways how fucked up is that?
