I don't know how that makes me biased, as I've told you repeatedly I don't remember the incident you're referring to except that Atrocity posted some gross image links and you kicked him. You say "in power" like we're the Czars of Russia in 1917 lol, if I was anything I was just a moderator... and the same for liquid. Maybe liquid was a senior or above at that point but I was most certainly not, and definitely did not have any "administrative" say over what occurred... whatever that was.

But you're just talking about this isolated incident, I remember Atro, liquid, and me picking on you all the time back in the day, pretty much just like Sarah. At least 3+ years I'd imagine, I think it's been quite some time since all three of us were consistently active. The good ol' days!
