you think .. your rationale is already so retarded that any logical person can disagree with it  
Okay, if we're talking "logic," explain to me how my "rationale" is "so retarded."

many people say more offensive things than i do daily and were never even given a slap on the  
wrist. yourself, atrocity, tobi, iran, bunnyk, dickclark, etc.

#jelly has never once been considered anything but a free-for-all and i've never seen anything be  
moderated .. even when iran talks about killing n words and shit and being a nazi.

i was never warned .. the conversation i had with crypt a long ass time ago or the time i was  
warned like 3 years ago when liquid banned me for nothing are really the best you have? come  
on.

the only offenses have occurred in #jelly (what was previously prior to my ban never moderated)  
yet i'm banned from TS, ingame, forums and z:lined from the entire IRC network .. I couldn't just  
be banned from that channel?

i'm sure if liquid is around i'll be banned the first day back in 6 months like i said for the same bull  
shit.

you've still never given me the reason anonymous was banned, sarahliz was banned, or  
bunnykristin was banned .. yet they all seem to have one thing in common .. hmm?
