Tiny wrote on Tue, 18 March 2014 07:10btw Mike nobody cares about you all you do is try and copy zunnie but lets get this straight you will never be like zunnie until you can code like he can and do all the stuff he's done for Renegade over the past decade then come and talk to me and banned from MPF lets get 2 things straight one until you have a degree in IT security come back and let me know and second I can evade your stupid bans easy because I have access to over 3000 IP's so you will never know when I'm on because I was in MPF the other day talking to an old friend who knows what I can do so go back to trying to act like zunnie kthnxbai.

Learn how to read you fucktard...

I said banned at Rencorner not MPF.....

"GameOver": And Im not banned from MPF cause I just phoned jimer and he says you have no reason to ban me cause I haven't done anything wrong." LMAO
