Bfranx wrote on Mon, 16 June 2014 14:01 Even if they aren't professionals, I still have people on my team, and I can't just stop if they still want to work.

I mean, that just doesn't seem right to me.

At the rate they get work done, I doubt they'd care if you pulled the plug. ACK is right though, I see eye to eye with his opinions, he just has a more delicate way of getting them across.

If you're truly only hanging on because you're worried about hurting them, just hand the project over to them and wash your hands of it.
