Look, man. I'll come clean. I only voted for Obama because he gave me free stuff. I have a new Cadillac because of him. He just gave it to me. He actually drove it up to my house and said "Thank you! I can continue destroying America now because of you. Please accept my sincere thanks on behalf of our socialist overlords in Sweden. This car is but a trinket compared to what it represents, the wholesale theft of American workmanship for the purpose of vote purchasing!"

He also gave me a new phone, too. I almost refused, because the car was just too awesome, but he insisted. So I took it. I mean, what else was I going to do? Your parents already have phones, plus he's taxing them to death to give me a phone so why not take it? So I did. Now my Obamaphone lets me call my Obamacare from my Obamacar and I can get my Obamafare every time I use my Obamacard to steal food from your mom and dad.
