I don't appreciate it at all in having my post in the other thread deliberately misconstrued, original quoted material ignored, and then passed off as a "Jewllluminati conspiracy" much to the laughter of the degenerates here. Please stop being such a lackey. You only misguide others (while making them laugh).

Your Renerage Weekly blows and is cheap degenerate entertainment for minds stuck in arrested development.

## IN BRIEF

Renegade toy figure resold for slightly higher amount on Ebay; Jewlluminati conspiracy suspected.
