Oh well, it is their loss. We have a surprise coming up soon.

Yeah its a shame we won't get to team up with the short bus known as MPF. I would love more than anything to have our games associated with content thieves,Tanya rape screams,and C&C 3 aircraft carriers on every map. OH and lets not forget copy/paste palm tress everywhere. Quality work Zunnie

Also I'm fairly sure your surprise will be hosting a coop server of your own (that only MPF groupies will play on), with one of our games and passing it off like it's your own work.
