I'm sorry to hear about your 3 yr old, my uncles daughter was born with some rare disorder where all of her vital organs were backwards when she was born, amazingly she has survived and is almost 40 now. I have faith that everything should be okay one day, do a lot of praying because praying has never hurt anyone.

As for Zunnie, he is working on a project right now, but if you need him, contact him at mutliplayerforums.com. He is still around.
