I got TheDragon from somewhere... and I was in the IRC trying to think of a better name, and L3f7y suggested TheMouse. I liked it, and kept it.
rand124 is from a book-ness. the numbers are $1+1=2$ $2+2=4$. special, eh?

PiMuRhoPi Mu Rho = PMR - my brother's initials in Greek letters. He died 5 years ago, and this is part of my homage to him. So much so, in fact, that I even had it tattooed

Sorry for your loss.
