forsakenyou know what model i would want from NGE, not an EVA unit, but Rei, to replace sydney.

I say for the first model that has sydney's suit replace it with:

<http://www.n00bstories.com/image.view.php?id=1342318347>

And the second one without the suit:

<http://www.n00bstories.com/image.view.php?id=1105616902>

those are good idea.s.. maybe drk could make the models and ask C4kitty to skin them she is pretty good
