NHJ BVI completely agree. I have been accused of cheating as well several times last week, on my bloody 56k modem!!! I really don't want to know what happens when I'll play Renegade with my newly-acquired ADSL connection :twisted:  
Same here... I get kicked because I kiled soone ith 7 Shots (was Patch).  
HOLLY CRAP!! 7 Shots are much

and Btw... you often get banned from FUD to make space for Clanmebers.
