IceSentryAircraftkillerActually, the correct response is AD HOMINEM MOTHERFUCKER, YOU SPEAK IT???

The responses are so unbelievably predictable. It seems to me "AircraftKiller", that quite frequently you are in a state of rage. Perhaps you would entertain the notion that you need to seek professional help in anger management. I hope you can afford that. Maybe all your good

Perhaps you should entertain the notion of suicide. It seems you are in a state of post-masturbatory lingual wanking, and since they don't HAVE help for that, I'm sure you can find a good bridge to jump off of.
