I'm sure you wouldn't want someone running something you made, just to flaunt it in your face and talk shit about you.

Isn't that basically contradicting themselves. Like they hate you but like your work?

He does moderately nice work, but it certainly doesn't make up for his personality, or lack thereof...

In your opinion, that is. If we're going to talk about personalities, lets not forget that you refuse to return to #n00bstories because I'm still a SOp in there - your whining tirade failed. Shows how much you respect anyone when you don't get your way.

Quote:He meant that for THE SYMBOLISM, RETARD.

Err... haha. If you think text online really symbolizes oral sex, you're fucked up.

Quote:oh, and if it were up to me, we wouldn't be running BunkersTS either, we'd put a map up that didn't lick total monkey balls instead.

Go for it!

Quote:no ACK, what do you mean? it is real, it just has to be. Without the internet, you dont have a life. How can that be true? You are the all knowing GOD of Renegade, without you, we're lost

I see an Assclown Award candidate. "Awarded for proficiency in not knowing what the fuck you're talking about."

Quote:That made me chuckle I don't think I've ever seen you ask that, and even if you did... I wouldn't like to be the person who said they weren't enjoying it

Usually I say: "Well, if you don't like it, why are you still here?"
