majikentSS217Do you pay taxes to your town/state/country? Yes. What would happen if you didn't? You'd get "kicked" from the country.

No. You would be fined a large sum of money and/or sent to jail to live off of other tax payers' money...

When you are sent to jail you are "kicked" from society, and have to earn your rights back by taking your punishment. Thus he was correct.
