Oh my god...I actually read all that drivel.

She was probably joking in the alledged pm, so take it as such.

You should see some of the pm's I get.

If she wasn't joking, who cares what she does in the comfort of her own home (or office it looks like by that pic lol) Besides. The world needs more naked ladies I sometimes play renegade in nothing more than a bathrobe, big deal

If she IS a lesbian, it's not really shocking is it? Or do you all live terribly sheltered lives.

The only way this twisted tale could be sick, is if those who say they are girls are actualy guys.

\*shudders\*
