General HavocWe have IMAX here in the UK, they do show film like the Matrix but I never though they were in 3D, I just though thye showed them for the big screen.

Well yeah. Here in Chicago we have like 3 IMAX theatres. 2 of them are just regular IMAX theatres and the other one is a 3D IMAX theatre. I go to the 3D IMAX one since its MUCH better. The 3D IMAX theatre is just like regular IMAX theatre with the Big screen and excellent sound excpet you get 3D electronic goggles which enhances everything you see. Like when Neo stopped the bullets in Matrix Reloaded the Bullets pop off the screen and stop right in front of your face.

So its really fun to see it at a 3D IMAX theatre. Especially if you saw the movie at a regualr theatre and then see it at the 3D IMAX. You'll see that its much better.

Only way to see the Matrix. Only thing is it cost alot more. I think \$20.00 a ticket.
