My grandfathers girlfriend died of cancer last year, it's so sad for a loved one to die of cancer, the suffering, pain, saddnes, ETC. My grandfather really cared for her too, he got her out of an abbusive relation ship and she was about ten years younger then him, it seemed like they were souls mates, but then we found our she had cancer, and it was just so sad that she was dieing so slowly, and painfully. My grandfather even cried for once in his life time (I'm not joking) She died in Oklahoma, and I live in Ct, so we couldn't go down there.
