EpyonAww, so me and all the rest of the people are seeing this the wrong way??  
Well, Im glad you clarified that... becuase it sure did seem like it was love at first post to me ...

And its quite foolish to judge somebody by somthing like post count.  
I just dont have as much time to waste as you do.  
I could make the same assumption becuase you have more posts. Mabye you should ... get some more fresh air to even things up? Or how about ... get a tan, or does the sunlight hurt you too much?

LMAO you think some one in the TA doesn't get fresh air/tan/sunlight! hahah

I'm judging you on the lies (sorry, inaccuracies) in your post.

And why should it bother you if we are getting married, just having a laugh or playing renegade in a blanket or not(this was a joke :rolleyes: ), keep your negative and derogatory opinions to yourself when they are clearly not needed or even asked for. :rolleyes:
