KIRBY098http://www.satirewire.com/news/jan02/geography.shtml

Another good one:

An Iraqui diplomat asks Colin Powell, " Is it true that only 13% of your students can find Iraq on a map?"

Powell, " That may be true, but unfortunately for you, those 13% are marines. "

Have a dandy day! :twisted:

W000000000000000000000ttttttttttttttt!!!! Ain't it true.

You know Marines are rejects from the Navy.
