nastym4nWow - Ack, you are the best thing ever! I believe your publicity! You are the best most 'litest moddah evah!

btw, are you like 12 or something?

I figured I could start a post like this, cause you do. Just following the examples of my intellectual superiors.

Well, you just called me twelve years old based on the premise that arguing with others online must be a requirement of being young and immature - so you just insulted yourself by making this topic.

Funny how that works, huh?
