DaveGMMTimeless Thursady... the few times I went in, in my humble opinion, SUCKED.

As does FF Friday.... you're right. It's a n00bfest.

Thats what makes it fun... and if someone pisses you off, wait till they get an expensive character, run up, stick C4 on them, run away giggling, detonate it and BOOM. (yes, I see the irony of me posting that suggestion)
