I sure hope there isn't an anti-spam rule here...and that this isn't considered "spam"

Anyways, I've started a new server online, and hopefully some people will come and check it out. You're most welcome to do so, and i'd appreciate comments/suggestions/complaints. Thank you for visiting in adavnce!

would you check my server out? I'm trying to get it started up again. 1000 opening creds, Blazeregulator operated, lots of fun! ccrenegade://205.251.229.136:4848/?type=game
