Quote:I am also 100% against homosexuality and I believe homosexuals (including lesbians and bisexuals) as well as people with fetishes, ought to be put in mental hospitals. This must be done NOW, before they degenerate society and our children's morals even further. I also believe ANY children in the custody of homosexuals ought to be taken away IMMEDIATELY, in order to prevent further emotional and sexual abuse. DO NOT let your children near one of these vile monsters! Read the Fag Facts page to get more insight into the sexual habits of homosexuals and others of their ilk.

Maybe people want to be gay/lesbians. It isn't right to put someone in a mental institute just because there gay/lesbians.

Also, "vile monsters", some people are born like that. Ain't their fault.
