He wants to ban types of sex..? WHAT?

Quote:I believe in Singapore-style anti-terrorist legislation. I propose that anyone suspected of being a terrorist ought to be required, if necessary, to serve up to 5 years in prison without formal charges being brought forward. This will help stop the wave of terrorism sweeping America today.

Someone should send police over to his house, tell him they suspect him of being a terrorist and bang him in jail, that'll change his tune. lol, I almost think he's taking the piss.

And he has a photo on uglypeople.com? Come on, what kind of a person who believes in him/herself does that? Where's his self confidence?
