omg, it happend again, i didn't get screen shots cause i wasn't at home (i was at net cafe) but this time it was in islands, near the infanrty tunnels!!!! .. my base had 2 empty med tanks cause they wanted to b2b (out side grass) with mrls, i was like ... "omg why why why am i on this team!" i moved one back but the other got stolen by SBH, and i was later killed be a sniper .. -err-
