WEll ack, atleast they don't ripp off westwood maps and add a stupid little tree then go prancing around as if they are hot shit :rolleyes:

Honstly all your maps that are any good were ripped off from westwood, the one invoative one you made, meadows, sucks.

Perhaps if other people had access to westwoods uncompleted maps they could talk crap about you.

Regardless you will always remain an ass, so it doens't matter what I say, The maps I listed are fun, some of your are fun also, but your maps are not better then theirs, and thats the bottom line.
