I wasnt aiming that comment directly to the mod, i was aiming it at general moral.

As for what your saying, promises are always broken, but hey thats life.

This is not "Wars Of The Mods" , why say you are better when u could say they need to improve, i know for a fact there's going to be patches for it.

I have nothing againsts both mods, me and DarkOmen literally dont like eachother and me and Renalerts staff get on well, and yet i say good things about Reborn, only because im one of the people thats willing to give it a chance.
