cowmisfitGot From People

A quicksilver and independent T-shirt

A dart board

The BIG MUFF guitar pedel. exact same year and model that jimmy hendrix used on purple haze.

Another guitar pedel i forgot what its called but it lets me play the right sound for The Dead

Kennedys holiday in cambodia!!!

Another guitar pedel that cuts out on the buzzzzzzzz after u stop hitting the strings and if u turn it up can add even heavier distortion.

3 new cords so i can hook up all 3 of the guitar pedels together and up to my 2 amps at same time. * i got all the guitar stuff toward my christmas a couple of months ago but countede toward christmas*

New bushings for me skateboard.

Money.

Nice guitar effect pedals. I don't know what kind of music you play. but maybe you can check out for a compleet effect pedal thing.

like this: <http://www.rolandus.com/products/details.asp?catid=6&subcatid=0&prodid=GR%2D33>
these things are great when you play live.
