Sole Survivor?

I haven't seen/played that game, not even a screenshot. It's almost like it don't exist anymore.

Doubt it even made it to the shelves here.

Edit: Forgot to mention the little amount I had.

Command & Conquer (Playstation that brother has, PC)

Red Alert (Playstation, PC)

Retaliation (Playstation)

Renegade

Trying to buy Tiberian Sun and Firestorm multi pack, seems to have disappeared from the shops.

About it really...
