Sk8rRIMuk This looks to be another quality map, I love what appears to be the loading bay and the textures are sw33t...

Can't wait for this map looks good enough so far, naother name on the list of ACK maps ...

This guy never stops ...

Oh yeh I get 79fps on Medical Level with my usual around 546 and I never experienced bad textures anytime i played it .

-Sk8rRIMuk

I said it was Flight Bay 4, for landing shuttlecraft that transit from Citadel Station to the Earth and colonies surrounding it.
