Ok, there are two things I need help with.

1. I do not have the texture Water_reflect.tga. if you have it can you please post it or send it to nathan9990@aol.com.

2. when i make a road, how would i make it turny when i texture it, cause when i do it the road terrain is turny but not hte texture, how would i make it stay with the terrain?
