was my worst encounter of the n00biest kind, but they were on my team in 3v3 game.  
e.g at one point i told them to help me do a apc rush so guess what they did...  
both of them bought there own apcs!!!!!!!!!!  
Another example was when one of them kept running in range of the agt and getting killed and  
when i asked him what he was doing he siad he was trying to make the agt use up all its bullets  
so we could all go in!!!!
