npsmith82 You think that's crazy... check this one out, it's the follow up to that ancient badger animation...

Thanks alot npsmith82. Now I have a new song stuck in my head.

Starts to sing and dance

I seen things

I seen them with my eyes

I've seen things

they're often in disguise like

carrots, handbags, cheese,

toilets, russians, planets,

hamsters, weddings, poets,

Stalin, KUALA LUMPUR,

pygmys, budgies,

KUALA LUMPUR!!
