please nodbugger you are killing me. ill give you some credit you did a little better this time we're getting there. what you dont have in political understanding you are almost making up for in dissing. then again since you have no political understanding WHATSOEVER there isnt much to be made up for now is there? how unfortunate, you might want to either get informed, or maybe if your feeling really ya know ABSOLUTELY CRAZY try waatching something besides FOX news. . . but i doubt one of your level would be able to do that . . . but we can dream cant we?
