kriegervlf you say so.
Why you have such a huge amount of nicks goodsnpr?
And u weren't the shittiest player in that clan.

I see you grouped up with stoned09 after he left us.

Goodsnpr grew a brain and left Black-cell? with a certain amount of passion if i remember correctly. He had a disagreement with someone in the clan and left the servers.....He never actually played a clan match but that wasnt because of gaming skill.....the clan was set up for bcmuds only and he wasnt a mod.....There is a second bc-clan for non-muds but i dont think they have played yet....i was supposed to be arranging matches for them...but i left BC on the 26th of jan for my own reasons

waits for someone from BC to bad-mouth me in response to this
