Llama Man 451nodblugger- i TOTALLY agree with you Iraq is TOTALLY stable. thats why we need a large, expensive military presence there . . . theyre about as stabledick cheneys blood pressure

Well I guess by your way of thinking we shouldn't have 100s of thousands of troops in the United States then.(Just to let you know there are just as many troops in Germany as Iraq) And very few of the troops in Iraq are doing combat jobs.

Besides we have to be american military, american cops, Iraqi militcary and Iraqi cops. So we are doing a few jobs.
