Hmmm...what about that other thread where you said you lied about being 16 and are really 19?

Oh god you weren't supposed to see that!! Uh.... back in that one topic about that PM I tried to lie to save my ass. I assumed that halo knew that I was a male that's why I said "I'm not gay". Then I started to think that he thought I was a girl. Then he started having fantasies about me and I didn't want to spoil them so I kinda went along. I was only trying to be nice! You never would have found that picture if I wasn't so lazy to rename one of the files or upload that picture to 1asphost.com. But it was already uploaded so I didn't have to do anything, and my internet was going slow as hell because I was having a voice and video conversation on MSN and transferring files so I couldn't do anything on my internet. (though for some reason these boards load fast even when my internet is being this slow) I got that other picture from my 16 year-old friend on AIM.

Anyway, it is all JCOOL91's fault!!! He told me to do this, he helped me, and he makes me do other bad things!
