SomeRhinoThanks a bunch for hosting for us, Crimson.

I'm not sure if I'll be able to join you testers, I may be able to make a bit of it if I'm lucky. I'm glad you guys are planning this, and I hope everything goes well and that you have some fun. I'm very interested in seeing how the mod works in a larger server, so I'm going to send out a public email to all the testers right now, so we can cram as many into the server as we can.

Come on SR, I need my carbine buddy.
