I'm curious, where and what exactly is it you do? Moreso, how did you get to a seniority position (if you ACTUALLY work) with the kind of attitude and obvious lack of vocabulary you express in this public (and yes, this IS a public) setting.

Note: I've already contributed to this thread with my political 2 cents, my views on this matter are clear, so I am free to ignore the debate I do not agree with, and to reply to the topic of the supposed anti-republican P.B.J/Llama man.
