Good tip: Do not play the clan D-E!

- 1) They block harv in begin so when everybody is in, and we all suicide, they remove the buggy and got money immediately.
- 2) Dont shut server down when we tell them to (because of 1)
- 3) They get vehicles while we are waiting for all players.
- 4) They are playing with an other clan, so they loose - win -loose - win - loose -win etc, so they will get higher in the <http://www.clanwars.cc> rankings.
- 5) DeaD0wN or something in D-E (other nick of him is Rensnipe) tells everybody that other ppl cheat, while he does...

They should get banned from clanwars.cc, they apsolutely don't play fair!
We played them a lot of times, and in about 50 % of all games, they did something wrong, like 1 and 3.
