Subject: Problems with patch 1.037
Posted by TobiAlex on Sat, 15 Mar 2003 23:49:30 GMT

I'm install Renegade and try install patch 1.037 but I see this error:
"Patch error. Existing game files may have been modified". Why? I do not change any files!
Please, help me! (In patch 1.036 thats all ok!).
