^^^

the way bsh said there were indefinitely WMD'S in Iraq and now is saying he didnt say it?

also, i am going to have to agree that we, as democrtas, are desperate for a leader . . . ANYONE on teh democrats is better than bush even though they REALLY should be classified as republican. i think our economy is hopeless now that dean has dropped out. we can only hope sharpston gets it (which wont happen on account of all the hicks in this country)

i can see how you can compare the democratic leader to hitler, they worked hard and took a long, decisive, intelligent route to where they get, whereas bush just got his dady's name stamped on his resume.
