---

Someone driving away without paying for gas, is a cheater  
Someone running a red light, killing someone, is a cheater.  
Stealing a candy bar from the store is cheating.

People Cheat at Board Games, Cards Games, Gambling, Relationships, Work, and every MP  
Computer Game I've ever played.

Cheating is related to a type of person, a mind set, a life direction.

That is what we have Police, Law, Order and Game Server Moderators, but I look forward to  
RenGuard!
