Quote:for 6 hours you got a whole lot of nothing.

Lol, you of all people can't tell anyone to learn how to read, you can't even make a complete sentence. :rolleyes:

Why would he need to go back to 4th grade to read that incoherent bull shit that you posted?

Since when does reading equal making complete sentences? Ever hear of finishing a thought? Maybe I should of put 3 periods in front of it?

And what is so incoherent about it? Im not babbling, or writing random letters.

Fugudawaghs itsbe da po0btoon <-- Now that is incoherent

I just still cannot understand what took 6 hours to make that!?! Did you draw every single poly???
